## ANNUAL WORKING COMMITTEE REPORT 2024-25

# “RICH LEGACY OF 109 YEARS”

### With Humility

*This Annual Report is the result of sincere effort to present a true account of our activities and progress. While great care has been taken, some unintentional mistakes may still remain. I humbly invite our readers to point them out, so that together we may continue to improve and uphold transparency in the years ahead.*

## *From the desk of President*

Dear Members, Well-wishers and all MHites,  
Greetings and Namaskar !!

It is my privilege and a profound responsibility to serve as the President of this esteemed institution, carrying forward a legacy of service and compassion that spans over a century. The year 2024–25 has been one of remarkable achievements and steady progress. Yet, also a reminder of the great responsibility that rests on our shoulders as custodians of Shree Marwari Databya Aushadhalaya (SMDA).

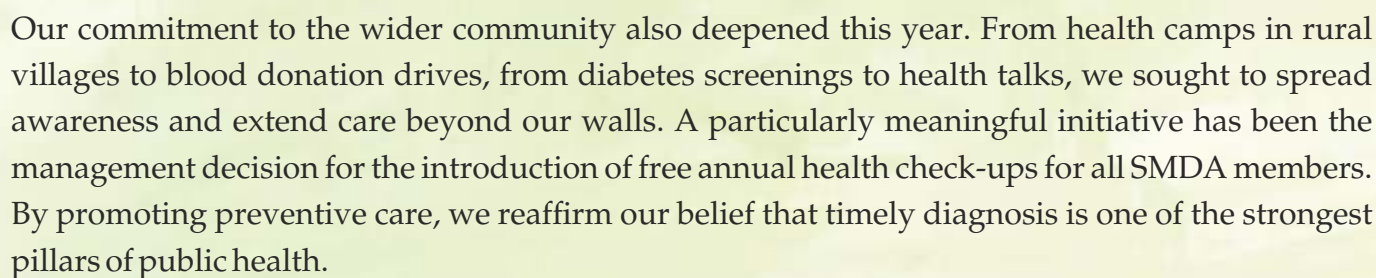

This year has been particularly significant for the hospital's growth and transformation. The much-awaited Cath Lab and Cardiology Department stands ready for inauguration. Once operational, it will mark a historic chapter for Marwari Hospitals — bringing under one roof the entire spectrum of cardiac diagnostics and interventions, from Echocardiography and TMT to Holter monitoring and interventional procedures. This will be indeed a great service to the wider community we are privileged to serve.

Parallely, civil work for the MRI Centre is progressing well. Supported generously through CSR initiatives and backed by the commitment of our management, this project promises to enhance our diagnostic capabilities significantly. With Siemens supplying the equipment on special terms to us, we are confident of creating one of the finest Radiology Departments in the state.

Our journey this year has also witnessed creating new OPD chambers on the first floor of Multi-Specialty Block, enabling us to engage more consultants in view of the growing inflow of patients. Retaining and nurturing talented doctors and super-specialists remains a cornerstone of our strategy and I am proud to share that many distinguished specialists have now chosen to associate themselves with Marwari Hospitals, because of its growing popularity and image.

Infrastructure and Technology, however, are only part of the story. True healthcare excellence rests on the shoulders of dedicated people. This year we have equipped our technical areas with Gastroscopy including ERCP, Urological scopes etc.. Equally, we invested in people through structured training, knowledge-sharing, and development initiatives. Our Continuing Medical Education (CME) programmes for doctors and the Continuing Nursing Education (CNE) programme, which brought together over 200 nurses from across Assam, have strengthened our academic foundation. The crowning moment came when we received the Excellence in Nursing Practices Award at the AHPI Healthcare Excellence Awards 2025 in Kochi. This national recognition is not just a matter of pride — it is a testament to the compassion and skill of our nursing team, who are so often the first touch of comfort for patients.

To strengthen the Obstetrics and Gynaecology Dept. decision taken for setting up IVF centre at the top floor of the Centralised Block. Besides, major decision has also been taken to revamp the Mother and Child wing to improve ambience and amenities for the patient comfort and safety.

In the end, I wish to place on record my deepest gratitude to my colleagues in the Executive Committee, to our General Secretary for his dedication and energy, to our doctors, nurses, paramedical staff, administrators, and every member of the Marwari Hospitals family who worked selflessly each day. I also bow in gratitude to our donors and well-wishers, whose generosity makes it possible for us to serve those who cannot afford care.

With warm regards,

President

## *From the desk of General Secretary*

Dear Members and Well-wishers of the Marwari Hospitals Family,  
Greetings and Namaskar!

As I write this message, I do so with deep humility, gratitude, and hope. This has been my very first year serving as the General Secretary of Shree Marwari Databya Aushadhalaya, and I must confess that it has been a journey unlike any other — a journey that has touched not only my mind but also my heart.

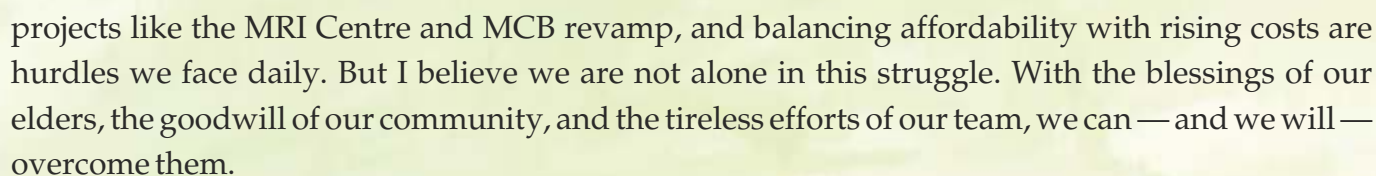

Coming into this role without a background in hospital management, I often wondered how I would navigate the complexities of hospital administration. Yet, what I discovered was that every single day at Marwari Hospitals has been a teacher, showing me how deeply compassion, dedication and teamwork can transform lives. Every visit to a ward, every interaction with a patient's family, every discussion with our doctors and nurses has taught me something new. I have realised that this role is not about titles or responsibilities alone; it is about learning, growing and discovering the nobility of healthcare service; it is about compassion, empathy, and the willingness to serve with sincerity.

Throughout this journey, I have been fortunate to receive the unwavering support of our President, whose guidance, wisdom, and encouragement have been a constant source of strength and inspiration. Equally, I owe a debt of gratitude to our doctors, nurses, paramedics, staff, and my colleagues in the committees. Their dedication has carried this institution forward, and their spirit has given me the confidence to learn and grow each day.

One of the most moving experiences of this year has been to witness the compassion and generosity of the members of our larger Society. It has been profoundly inspiring to see so many of our well-wishers donate selflessly towards the General Ward on occasions of birthdays, anniversaries, and family milestones. This is not charity in the conventional sense; this is humanity, quietly expressed with love and responsibility; this is the truest reflection of our spirit – that joy is doubled when shared with others. My dream — and I share this with utmost humility — is that one day we will be able to make General Ward treatment entirely free of cost (except for medicines), supported wholly by the kindness of donors and well-wishers.

What moves me the most in this journey is not only the progress we have made, but the faith our community places in us every single day. Every patient who walks through our doors comes with trust, and it is this trust that inspires us to serve better and reach higher. It reminds me that Marwari Hospitals is not merely an institution of buildings and equipment, but a living family bound by compassion and service.

Yet, challenges remain. Retaining talented staff in a competitive environment, sustaining large

With heartfelt regards,

General Secretary

## REPORT OF THE WORKING COMMITTEE FOR THE YEAR 2024-25

1. **Executive Summary:** The year 2024–25 was marked by significant progress in infrastructure, patient care, and community outreach. Our hospital successfully constructed a state-of-the-art Cath-lab, initiated work on the MRI Centre, inaugurated the Diabetes Centre of Excellence and advanced digitalisation initiatives. We also expanded our concessional healthcare schemes, serving thousands of patients under affordable care programs. Through 141 health camps and CSR partnerships, we continued to make a tangible impact on the community. Despite challenges such as declining patient trends under PMJAY and rising competition, the hospital demonstrated resilience, maintaining strong financial discipline and a commitment to innovation.
2. **Services and Programs:** Several landmark developments were completed in 2024–25:

- i. **Advancing Cardiac Care: Creation of Cath Lab and Cardiology Department**

In line with our vision of expanding specialised healthcare services and addressing the necessity for advanced cardiac treatment, Marwari Hospitals has taken a major step forward with the establishment of a state-of-the-art Catheterization Laboratory (Cath Lab) and a fully equipped Cardiology Department.

The Cath Lab has been set up on the second floor of the Multi-Speciality Block (MSB), while the Cardiology OPD has been established on the first floor. Together, these facilities are equipped with the latest diagnostic tools, including Echocardiography (ECHO), TMT (Treadmill Test), Holter Monitoring, and ECG machines, enabling us to deliver comprehensive diagnostic and interventional cardiology services under one roof.

This landmark achievement has been made possible through the generous support of Century Plyboards (India) Ltd. and Star Cements Ltd., under the visionary leadership of Sri Sajjan Ji Bhajanka, Chairperson. Their contribution of Rs. 6.10 crores has transformed a long-cherished dream into reality, laying the foundation for a new era of cardiac care at Marwari Hospitals. This facility is also capable of performing Interventional-Radiological treatment. We remain ever indebted to Sri Bhajaka ji for his noble support.

- ii. **Strengthening Radiology Diagnostics, Setting up of MRI Unit:**

A modern and comprehensive healthcare system cannot be completed without advanced imaging facilities. At Marwari Hospitals, the establishment of an MRI Centre has long been a priority — one that we are now delighted to see taking shape.

For many years, financial constraints had delayed this project, but recognising the urgent need for enhanced diagnostic capabilities, the management resolved to initiate the development of the MRI Centre in the current financial year. To support this, we approached multiple corporates including Public Sector Undertakings (PSUs) for CSR assistance. We are proud to share that Oil India Limited has approved support of Rs.2.00 crore and NRL has approved Rs. 1.00 crore under CSR towards this project, reflecting their

---

*“The best Hospitals heal with humility.”*

The MRI Unit is being setup in the Radiology Department on the ground floor of the MSB, where civil works have already begun. Once operational, this state-of-the-art facility will not only strengthen our diagnostic capabilities but also ensure that patients in our locality and inpatients have access to timely, accurate, and high-quality imaging services without needing to travel elsewhere.

On July 24, 2025, Marwari Hospitals proudly inaugurated its Diabetes Centre of Excellence on the 2nd floor of the Multi-Speciality Block (MSB). Developed in the space of old OT complex, this centre represents a significant step forward in our commitment to addressing one of the most pressing health challenges of our time.

The inauguration was graced by Dr. Azadar Khan, Senior Vice President of Sun Pharmaceuticals, whose organisation generously contributed medical equipment worth approximately Rs.24 lakh. We extend our heartfelt gratitude to Sun Pharmaceuticals for their generosity and look forward to their continued partnership in the years ahead.

The centre is led by Dr. Sourav Das, MD, DM (Endocrinology), AIIMS Delhi, who brings with him deep expertise in the management of diabetes and endocrine disorders. The facility has been equipped with state-of-the-art technologies and services, offering patients a truly comprehensive approach to diabetes care — ranging from early diagnosis and preventive strategies to advanced treatment and patient education.

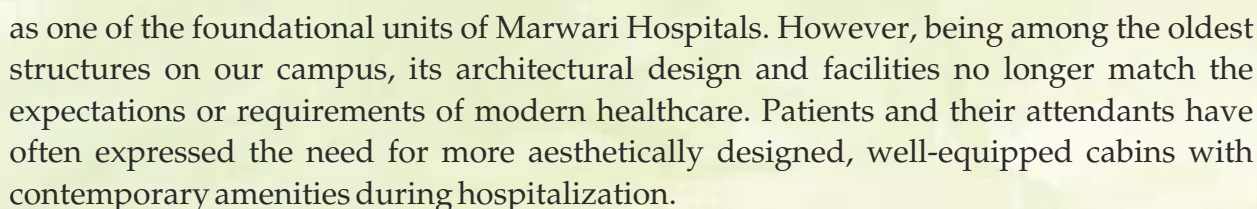

The need for such a facility is undeniable. Our hospital database reflects a rapidly increasing number of diabetic patients in the region, mirroring the national and global trend. With this dedicated centre, Marwari Hospitals is poised to provide high-quality care not only to patients within our immediate catchment area but also to individuals from across the North East.

The Diabetes Centre of Excellence stands as a testament to our vision of integrating specialised expertise with compassionate care, ensuring that patients with diabetes receive the comprehensive support they need under one roof.

The Mother and Child Block (MCB) known as Marwari maternity hospital has long served

10

This concern has become more evident in recent years, as many patients from Kamrup Metro and the adjoining areas of our hospital have chosen to seek treatment elsewhere, drawn to more modern facilities. At the same time, after the successful renovation of the Multi-Speciality Block (MSB), its occupancy rates have seen a marked increase — proving that patients value comfort, safety, and modernity as much as clinical care.

Recognising this, we have initiated a comprehensive plan to revamp the entire Mother and Child Block, including patient cabins, wards, operation theatres, OPD, and associated areas (with the exception of NICU and PICU, which are already upgraded). The focus of this revamping will be on patient comfort, safety, and functionality, while ensuring that the facilities are at par with modern standards.

The responsibility of preparing the design has been entrusted to Mr. Rittick Hazarika, Architect, who is currently working on suitable proposals. Once the design is finalised and approved, the next step will be the mobilisation of necessary funds to execute this ambitious project.

The revamping of the MCB will be executed in phased manner, ensuring that patient services continue without disruption. Once completed, this transformation will not only restore the MCB's central role in our hospital but also reaffirm Marwari Hospitals as the preferred destination for mother and child care in the region.

With the steady rise in demand for Physiotherapy services, we have undertaken a major relocation and upgradation of the Physiotherapy Department. The unit is being shifted to the area adjacent to the canteen on the same floor of central block, ensuring adequate space, equipments, and facilities to meet patient needs more effectively.

This move will significantly enhance the department's capacity to accommodate more patients efficiently and without space limitations. The existing space on the 1st floor, vacated through this shift, will be repurposed to create additional OPD chambers for doctors as well as a new Neuroequilibrium Lab. The lab will be equipped for specialised investigations such as VNG, SVV, VHIT, and fall-risk assessment, further broadening the hospital's diagnostic services.

This development reflects our continued commitment to patient-centric care, innovation, and optimal utilisation of hospital space.

As per NABH guidelines, the provision of canteen/cafeteria services is an essential

*"Kindness is remembered long after medicine is forgotten."*

### ix. Creation of Cloak Room :

Over the years, it was observed that patients' luggage and personal belongings were often left in treatment areas, creating clutter and compromising both aesthetics and hygiene.

To address this, a dedicated cloak room on the ground floor of the Multi-Speciality Block (MSB) has been created, strategically located beside the Security Control Room.

The facility, with a capacity to store belongings of around 40 patients and their attendants, is now fully operational. It ensures a cleaner, safer, and more organised hospital environment, contributing significantly to patient comfort and satisfaction

## 3. Patient Care:

### 1. Progress of Digitalisation in Hospital Operations:

Since the initiation of digitalisation across all facets of our hospital operations, Dr. J. P. Sarma, Director Medical Services has been taking care of the digitalization processes. We have made significant strides in transforming the way we function. Information Technology (IT) has now become an indispensable part of our daily hospital activities. This digital transition had played a pivotal role in streamlining several operational processes and was instrumental in securing our NABH accreditation.

One of the major challenges we faced initially was transitioning our clinicians from the traditional handwritten prescriptions to a system of e-prescriptions. However, with continuous effort and training, most OPD prescriptions are now generated digitally. These e-prescriptions include comprehensive information such as clinical history, examination findings, prescribed medications, and recommended investigations—ensuring accuracy and ease of future reference.

#### To support this transition :

- Every OPD chamber is equipped with computers and printers for e-prescription generation.
- Floor in-charges have been provided with tablets to speed up the patient registration process.
- All nursing stations are now equipped with computers and tablets to facilitate timely and accurate delivery of patient care.
- LAN connection and internet router has been installed in various areas to strengthen it.

Looking ahead, the management is committed to further expanding the scope of digitalisation, particularly within nursing functions. The following key initiatives have already been undertaken:

### i. Coverage of Nursing Stations :

Almost all the nursing stations of both the blocks have been brought under the ambit of digitalisation.

---

*“Every patient is someone’s whole world.”*

nursing team has consistently set a benchmark in compassion, dedication, and devotion. They are the constant presence at a patient's bedside, offering not only professional care but also comfort, reassurance, and human warmth in moments of vulnerability.

The feedback we receive from patients and their families regularly highlights the kindness, patience, and tireless service of our nurses. Whether it is managing the critical care units, ensuring smooth day-to-day ward functions, or providing a comforting word in difficult times, our nurses stand as the true embodiment of our hospital's mission — to serve with compassion and excellence.

**Awarded for Outstanding Nursing Practice:**

We take immense pride in the fact that our nursing services have been recognized not just by patients but also by various external bodies. In February 2025, Marwari Hospitals received the Excellence in Nursing Practices Award at the AHPI Healthcare Excellence Awards in Kochi, Kerala. This award, presented by the Hon'ble Chief Justice of the Kerala High Court, was a glowing endorsement of the structured systems, training programs, and quality practices followed by our nursing team. The award was received by Nursing Superintendent Ms. Jubida Ryyanjah along with Hospital Superintendent Mr. Rohit Upadhayay and Senior Manager, Quality Department Ms. Priyanaka Sengupta.

Under the guidance of our Nursing Superintendent, Ms Jubida Rynjha, the nursing department has made remarkable progress in introducing best practices in infection prevention, patient safety protocols, continuous education, and compassionate care delivery.

Our nurses are more than caregivers — they are healers of the mind and heart, silently touching thousands of lives each year with their dedication and selflessness. Their tireless service remains one of the strongest pillars of our hospital

### 3. Affordability: Ensuring Healthcare for All

Affordability remains one of the most significant barriers to accessing healthcare — not only in developing nations but also in advanced economies across the world. Rising costs and long waiting periods have made quality treatment difficult to access for many.

At Marwari Hospitals, we are deeply committed to delivering quality healthcare at affordable rates. Recognising the financial constraints faced by many, we have consistently introduced concessional schemes, rationalised charges, and affordable packages to ensure wider access to medical care without compromising on quality.

One of the most important initiatives has been the regular review of hospital tariffs by our Rates Review Committee, which carefully evaluates and adjusts charges to keep them fair, transparent, and affordable. Some of the packages and concessional schemes are as follows:

- i. **Concession Policy :** Different types of discounts are given to the patients in order to provide them relief. At present following discount policies are in place:

*"Every nurse's touch is a blessing unseen."*

Sl.No.	Category	Discount/Concession
1	General Ward Patients	Entire accommodation charge, nursing care, resident doctors' fees and diet charges are free. Additionally, 10 % in Laboratory tests and 10 % in Radiology Tests discount is given. Also, 25% discount offered in blood processing charges for General Ward patients.
2	Sr. Citizen	10% in Laboratory tests and 10 % in Radiology tests.
3	OPD Patient	10% in Laboratory tests and 10 % in Radiology tests.

8	Discount Card : (For patients referred from camps, organised by hospital)	30% in OPD Consultation Fees, 10% in Laboratory, 10% in Radiology, 25% in Blood Centre Investigations, 10% Discount in Seat Rent and 5% in Medicine.
9.	Discount for employees of Shree Gauhati Gaushala	50% discount in Laboratory services, 25% discount in Radiology services for both OPD & IPD. 50% discount in HDU/ICU seat rent. OPD consultations @ CGHS Rates.

- ii. Support from Charity Fund/ Poorest of the Poor Scheme :** From 1st April, 2021, a unique initiative was introduced for the welfare of the patients admitted in general wards whereby the accommodation charges, nursing care charges, resident doctor fees and diet charges are waived off. Approx. 20% of total beds of our hospital are kept reserved for General Ward patients.

This service was availed by a total 1170 patients in 2021-22, 1861 patients in 2022-23 and 1815 patients (including 113 poorest of the poor patients of ICU) in 2023-24. An amount of Rs. 97,80,819 was spent by the hospital during 2023-24, on this scheme, out of which an amount of Rs 29,47,000/- was received towards sponsorship of the scheme . An amount of Rs.98,86,316/- was spent by the hospital during 2024-25, on this scheme, out of which an amount of Rs. 4,74,334/- was received towards sponsorship of the scheme. The occupancy in general wards remains almost 100% for most

*“Donors are the unseen healers of countless lives.”*

of the time which speaks volumes of the popularity of the scheme.

**iii. Discount on ICU seat rent sponsored by Shree Bajinath Garodia Charitable Trust :** Under this scheme, patients recommended by Shree Bajinath Garodia Charitable Trust, are eligible to get 100% discount on Seat Rent for ICU/HDU stay, for a maximum of 20 patients per year. During the year 2024-25, a total of 20 patients have benefited under this scheme.

**iv. Discount/Concessions :** In the Financial year, 2024-25, we have provided a total discount/concession of Rs 1,83,95,153/- under our various schemes as per details given below:

#### 4. Community Impact:

##### i. Fancy Bazar Outdoor Dispensary: A Century of Service, A Legacy of Care.

Established in 1916, continuing to serve thousands every year with compassion and dignity.

The Fancy Bazar Outdoor Dispensary (FBOD) is the flagship community service unit of Shree Marwari Databya Aushadhalaya. Established in 1916, FBOD has stood as a beacon of hope for over a century, providing free healthcare services to the economically weaker sections of society.

What makes FBOD truly unique is its patient-first philosophy:

- A one-time registration fee of just ₹10, valid for seven days.
- Free consultations across three trusted streams of medicine — Allopathy, Homeopathy, and Ayurveda — by experienced consultants.
- Free medicines, free administration of injections, and free dressing services for every patient.

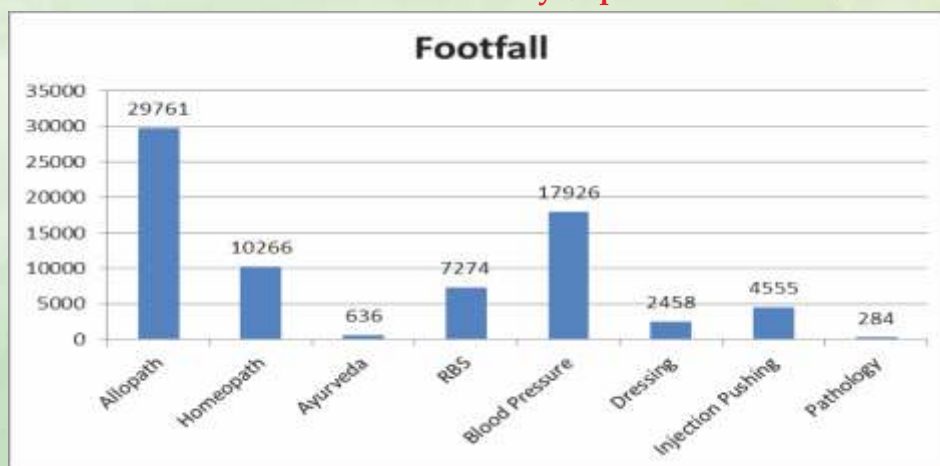

These initiatives reflect our unwavering commitment to removing financial barriers to healthcare and ensuring that no individual is denied treatment due to cost.

During the financial year 2024–25, FBOD extended its services to 73,160 individuals, spanning across all categories of care. This remarkable outreach underscores its role as one of the most impactful healthcare initiatives in the region.

In addition, FBOD regularly organises free health camps and screenings to address pressing community needs. Weekly diabetes screening camps, organised in collaboration with the Bhawani Devi Mour Charitable Trust, have already benefitted many. Building on this success, a daily free diabetes screening camp has now been launched at FBOD (7:00 AM to 9:00 AM), which has received an overwhelmingly positive response from the public.

For thousands of underprivileged families, FBOD is not just a dispensary — it is a lifeline. It embodies the ethos of Shree Marwari Databya Aushadhalaya: compassion in action, care without cost, and service that has stood the test of time.

#### FBOD OPD Footfall Summary (April'24-March'25):

*“True service expects nothing in return.”*

Through these efforts, Marwari Hospitals has emerged as a trusted healthcare partner — one that goes beyond treatment to build healthier communities and promote sustainable well-being.

### i. **Structured Budgeting Exercise**

One of the strongest practices at Marwari Hospitals is the well-structured budgeting exercise, designed to plan and monitor both revenues and expenditures effectively. The budgeting process is undertaken well in advance, with department-wise projections prepared after careful analysis of the hospital's operational and financial position.

Periodic reviews are carried out to compare actual performance with budgeted targets. This allows the management to take timely corrective and preventive measures, ensuring that financial resources are used optimally. This proactive approach not only supports informed decision-making but also reinforces financial discipline and accountability, thereby contributing to the long-term sustainability of the institution.

- ii. **Income Tax Exemption Certificate** : In a significant development, our parental body, Shree Marwari Databya Aushadhalaya (SMDA), has been granted an Income Tax Exemption Certificate under Section 17(2) of the Income Tax Act, 1961 by the Income Tax Department, Ministry of Finance, Government of India. This certificate, received on 10th December 2024, is valid for the next three years and reflects the credibility, transparency, and compliance of the organisation in all its financial dealings.

### 6. **Internal Audit:**

With the expansion of activities and the increasing complexity of operations, Marwari Hospitals has placed strong emphasis on internal controls and accountability mechanisms. Over the years, we have moved steadily towards a protocol-driven system, ensuring that processes remain transparent, efficient, and compliant.

To further strengthen this framework, the management appointed M/s P. Gaggar & Associates, Chartered Accountants, as the hospital's Internal Auditors, effective 1st August 2022.

- Their monthly audit reports cover almost all departments and have proven invaluable in identifying gaps and recommending improvements.
- These reports are regularly reviewed in meetings of the Audit & Risk Mitigation Sub-Committee, where timely corrective measures are initiated.
- This process has significantly contributed to the smooth, error-free, and efficient functioning of the hospital.

In addition, a comprehensive TPA (Third Party Administrator) Audit was carried out. All identified shortcomings have been rectified, claim submission processes have been streamlined, and efforts to recover outstanding dues have been intensified. These measures have greatly enhanced both our financial health and administrative efficiency.

## 7. Governance and Leadership :

The year 2024–25 has been one of growth, renewal, and resilience for Marwari Hospitals. Guided by the President and General Secretary, and supported by dedicated sub-committees, our governance has focused on building strong systems, empowering people, and ensuring accountability across all levels of the hospital.

At the heart of this progress lies our Human Resources Department, which plays a pivotal role in shaping the culture of the organisation, aligning policies with our Vision, Mission, and Core Values, and nurturing an environment of integrity, professionalism, and compassion.

### A. Human Resource Department:

The Human Resources (HR) Department is pivotal in managing a wide range of functions that cater to the needs of both the employer and the employees. In a healthcare setting, HR plays a vital role in ensuring the optimal delivery of services by fostering a supportive and efficient work environment.

At Marwari Hospitals, the HR practices are aligned with our Vision, Mission, and Core Values, which emphasize professionalism, accountability, and transparency in our work culture. We are committed to creating a workplace that values integrity, performance, and employee well-being.

### Human Resource Initiatives: Structured Development Programs

- A comprehensive Training Calendar was introduced, with a clear list of participants shared for the year.
- Training effectiveness analyses and re-trainings were conducted to ensure knowledge retention.
- Job rotation in key areas such as Reception, Laboratory, MRD, and Radiology has improved flexibility and staff efficiency.
- Fun Saturdays were launched to reduce workplace stress and encourage teamwork.
- Reward and Recognition programmes are now a monthly feature, boosting staff morale.
- A 30-60-90 days performance review system for new executives was introduced, ensuring accountability from the very beginning.

Through these structured HR practices, we aim to motivate our workforce and enhance the overall efficiency and quality of healthcare services.

### i. External Expertise:

To bring in fresh perspectives, the hospital engaged Yellow Hat Consultant Pvt. Ltd., under the expertise of Smt. Sreeparna Bosepine, who reviewed HR policies and Key Performance Indicators (KPIs). Based on her recommendations, corrective measures have been initiated and implemented.

---

*“Together, care becomes a community’s greatest gift.”*

- Motivational Workshops, Yoga & Wellness

Additionally, many of our staff members participated in **external training programs and CMEs (Continuing Medical Education), CNE (Continuous Nursing Education)**, etc to further sharpen their professional skills and stay aligned with evolving healthcare standards.

These initiatives reflect our commitment to **quality care, patient safety, and employee empowerment**, ensuring that our team is always equipped to deliver the best possible healthcare services.

The details of training programmes held are as follows:

<b>In house Class room trainings</b>	<b>763</b>
<b>In house bed side trainings</b>	<b>388</b>
<b>External trainings</b>	<b>21</b>
<b>Total trainings</b>	<b>1172</b>
<b>Total participants</b>	<b>14259</b>

#### vi. **Employee's Welfare activities:**

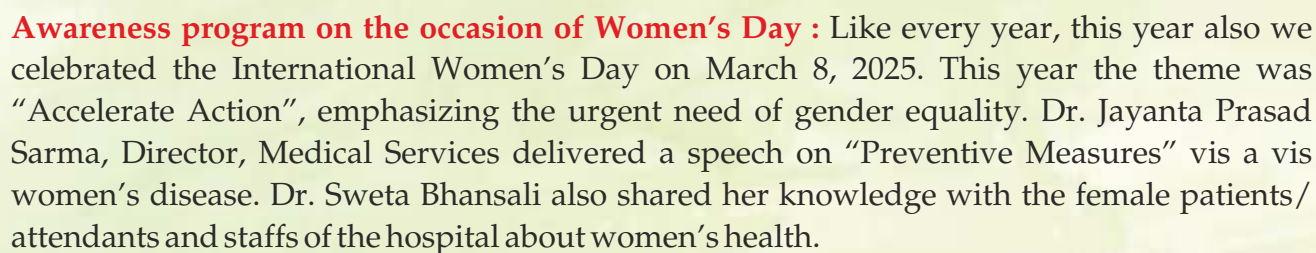

Marwari Hospitals' employees are full of enthusiasm and zeal. Every festival and event is celebrated with full vigour. These are some of the festivals/events that we celebrated during the period 2024-25.

SL. NO.	EVENT	DATE OF CELEBRATION

*"Every smile restored is a victory of care."*

- Selection as NABH Assessors: Mr. Rohit Upadhayay (Hospital Superintendent) and Dr. Atul Agarwal (Laboratory Director) completed the prestigious 50th NABH Assessor Training Programme in May 2025. Upon completion of observerships, they will be empanelled as official NABH assessors — a proud achievement for both the individuals and Marwari Hospitals.

## B. Administration and Legal Affairs:

Sound administration and transparent handling of legal matters remain central to maintaining the trust of our patients, members, and stakeholders. During the year 2024–25, the institution encountered certain legal proceedings and compliance-related matters, which were managed with diligence and professionalism

- i. Matter of PC-PNDT: The old case of PC-PNDT is still pending before the Honb'le Gauhati High Court.

a. Case of Lal Babu Mahato was settled through Lok Adalat.

b. Consumer case of Pawan Kumar Agarwal and Uma Sankar Bajaj are still pending in Consumer Disputes Redressal Forum.

c. We have filed 2 Cheque bounce cases against Rohit Sah for Rs 38,000/-, against Pratap Biswas for Rs. 1,20,568/-

d. Deformation case against Shri Uma Shankar Bajaj for maligning the image of the Hospital is pending before the CJM Court.

e. Consumer Protection case of Md. Ayezul Ali Vs. Marwari Hospitals and Another has been settled out of the court

**2. Renewal of Public Utility Service Certificate:** The recognition of Shree Marwari Databya Aushadhalaya (SMDA) as a Public Utility Service is a crucial validation of our social commitment. The earlier certificate expired on 16th February 2024. Although the application for renewal had been submitted in time, the government notification for

*"True healing touches both body and soul."*

renewal was issued on 30th May 2025. The renewed certificate is valid for six months and strengthens the hospital's position as a charitable institution working for the greater good of society.

## 8. Operations:

Smooth and efficient operations form the backbone of Marwari Hospitals. Beyond clinical excellence, our focus on support services such as housekeeping, security, safety, energy management, and ambulance services ensure that patients and their families experience care in an environment that is safe, reliable, and welcoming.

### i. Housekeeping Services: Commitment to Cleanliness and Care

Housekeeping is not merely a support service—it is the foundation of a hygienic and healing environment. At Marwari Hospitals, our dedicated housekeeping team plays an indispensable role in safeguarding infection control, patient recovery, and overall satisfaction.

The Housekeeping Committee remains proactive in monitoring and maintaining standards, conducting weekly rounds to ensure every ward, cabin, and public area reflects cleanliness and orderliness.

To recognize and motivate our staff, we celebrate Housekeeping Week and Housekeeping Month each year, featuring training sessions, appreciation programs, and awards for star performers.

The dedication of our housekeeping team is a silent yet powerful contribution—ensuring that our patients and visitors feel safe, cared for, and comforted in a clean environment.

### ii) Security Services and Disaster Management:

Security and preparedness are pillars of trust. The Security and Disaster Management Department safeguards our hospital premises and ensures compliance with safety regulations.

To strengthen emergency readiness:

- Regular mock drills, fire safety sessions, and emergency code trainings are conducted.
- Collaboration with the Fire and Emergency Services Department and Civil Defence, Government of Assam provides professional expertise and hands on training and mock drill
- Security personnel were also deputed to Srimanta Sankaradeva Netralaya, Beltola for training in soft skills and personality development, reflecting our focus on both safety and patient-friendly service.

During FY 2024–25, nearly 25 training programs and mock drills were conducted,

---

*“A gentle word can comfort more than medicine.”*

significantly boosting our preparedness to manage emergencies.

- iii) Electrical and Fire Safety audit :** As part of our proactive risk mitigation, the management commissioned a detailed Electrical and Fire Safety Audit through **Expert Alliance Consultancy and Solutions**.

The audit assessed all systems, highlighted compliance gaps, and recommended corrective measures. The hospital management has already initiated necessary actions to strengthen safety standards, ensuring both regulatory compliance and prevention of risks.

This initiative reaffirms our uncompromising commitment to the safety of patients, staff, and visitors.

- iv) Installation of 75 KVA Solar power system :**

Rising energy needs, driven by new medical technologies, have significantly increased power consumption. To balance operational costs with environmental responsibility, the hospital has successfully installed a 75 KVA solar power system in June 2025.

This initiative is projected to generate annual savings of Rs.8 to 9 lakhs, while reducing carbon emissions and promoting sustainability. It is a step towards building a greener and more self-reliant healthcare institution.

- v) Ambulance services and Mobile Blood Donation Van:**

- 1. Our hospital has 4 Ambulances :** Our hospital provides free ambulance services to the expecting mothers within a 10kms radius of the hospital, and for other ambulances, the charges are competitive
  - i. One Force make Critical Care Ambulance with life support facilities.
  - ii. One new advanced BLS Ambulance, Mahindra & Mahindra make Bolero.
  - iii. Two advanced BLS Ambulances; Maruti make Eeco.
- 2. Mobile Blood Donation Van :** Our specially designed Force Traveller DV 4020 is actively used to organize blood donation camps beyond hospital premises. During FY 2024–25, it facilitated 29 outdoor camps, resulting in the collection of 745 units of blood—a life-saving contribution to our community.
- 3. New Ambulance (EECO Van) under CSR initiative :** In July 2024, Asian Thai Foods India Pvt. Ltd. (Chaygaon, Assam) generously donated an EECO Van under their CSR initiative. This vehicle has been deployed as a dedicated ambulance, further expanding our patient transport capacity.
- 4. Advanced Life Support Ambulance Donation under CSR initiative from State Bank of India –**

---

*“In the darkest hours, care brings light.”*

As part of its Corporate Social Responsibility (CSR) initiative, the State Bank of India, Guwahati Head Office, has generously donated a Traveller (Force make) Advanced Life Support (ALS) Ambulance to Marwari Hospitals.

This specially designed ambulance is equipped with advanced emergency medical equipment such as a **ventilator, BiPAP machine, and other essential life-support systems**, enabling safe and efficient transportation of critically ill patients. With this addition, our emergency response capacity has been significantly enhanced, ensuring that patients receive uninterrupted critical care even during transit.

We place on record our sincere appreciation to State Bank of India for their thoughtful and impactful contribution towards strengthening healthcare delivery in the region. Their support is a shining example of how socially responsible institutions can collaborate with the healthcare sector to create meaningful community impact. We sincerely appreciate the effort of Mr Rohit Upadhayay, Hospital Superintendent of Marwari Hospitals and Mr Sujit Dey Assistant General Manager Marketing, Communication & CSR of SBI for extending his support towards this noble CSR initiatives.

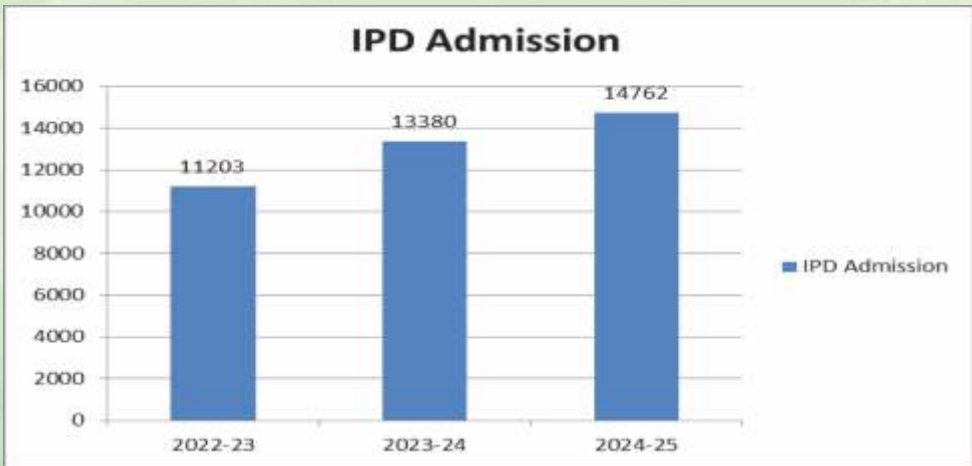

**vi. Introduction of Token system :** The Token System was introduced at the Central Reception and First Floor Reception counters of Marwari Hospital on 3rd March 2025 to streamline patient flow and reduce waiting time. Under this system, patients and attendants are provided with a numbered token, ensuring a fair and organized sequence of service. This initiative aims to enhance transparency, improve crowd management, and provide a smoother experience for all visitors.

#### viii. STATE-OF-THE-ART RADIOLOGY DEPARTMENT:

Our hospital is equipped with a state-of-the-art Radiology Department, furnished with modern diagnostic equipment including:

- Digital X-ray machine (Siemens make)
- 2 Portable X-ray machine (Siemens and Allengers make)
- 2 USG machines (GE and Phillips make)
- 96-slice CT scan machine (Siemens make)

To ensure uninterrupted patient care, we have:

- Three full-time qualified Radiologists covering the day shifts.
- Night-hour services supported through tele-reporting.

With this robust setup, we are committed to providing accurate, timely, and comprehensive radiological services round the clock.

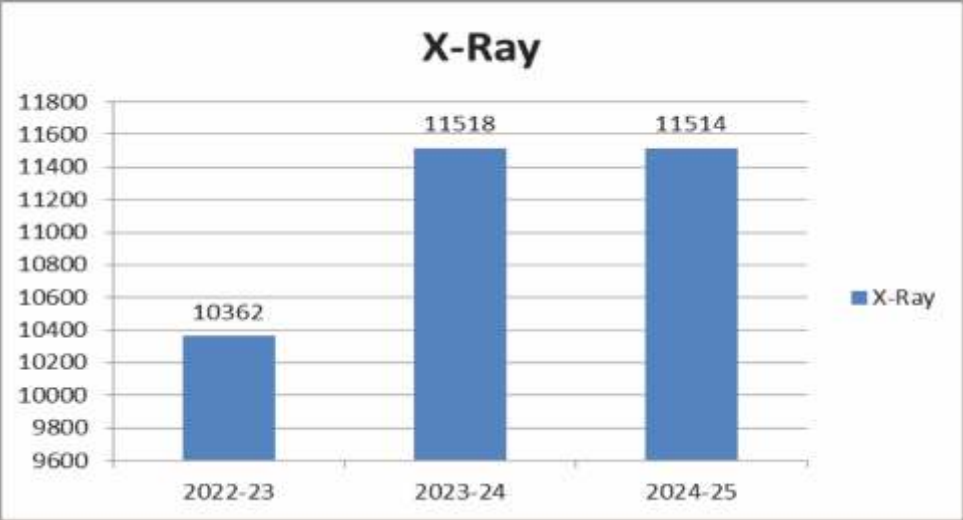

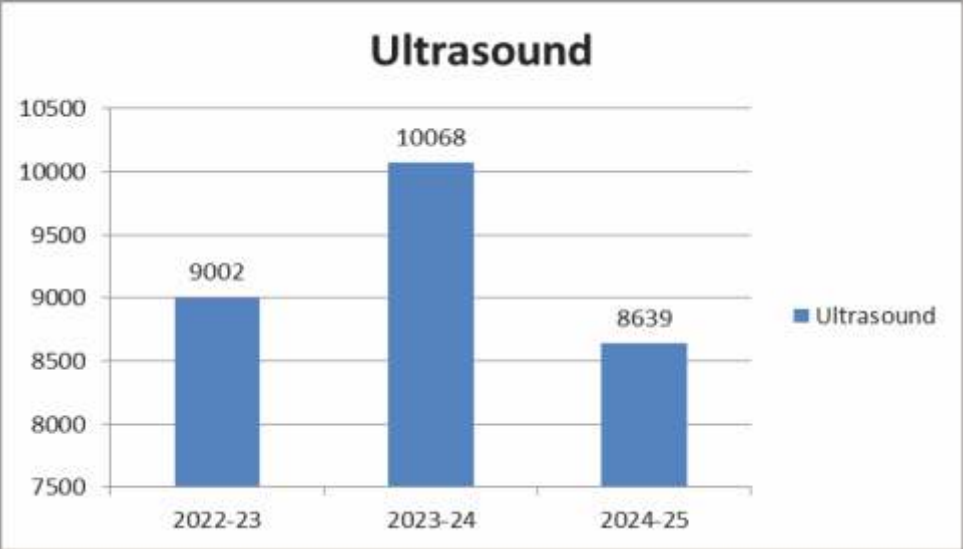

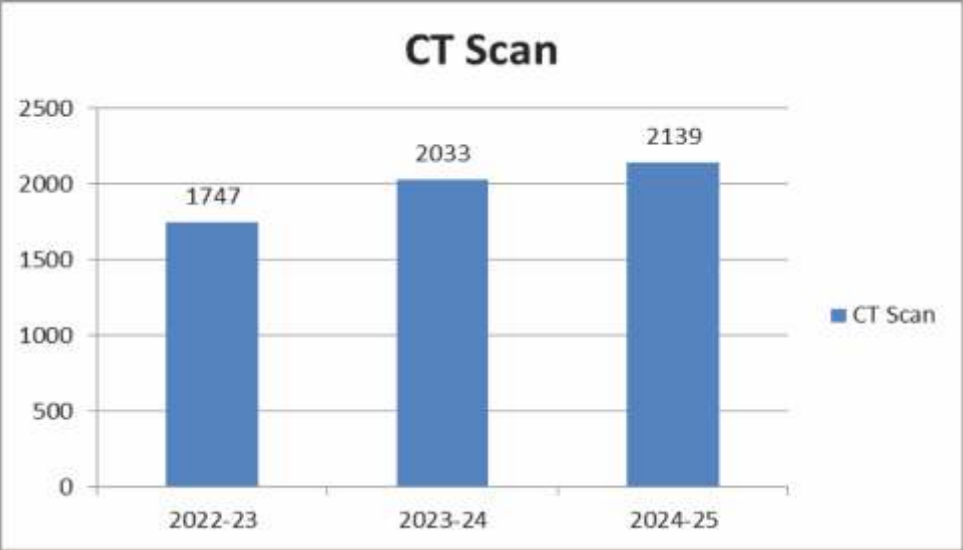

As we are going to install the MRI machine very soon, for which the construction of **civil works have already been started, we are hopeful that our Radiology department will become complete to assist our clinicians in diagnosing all the critical conditions in quick time.**

Following are the few statistical details of various branches of Radiology dept. for the last three years:

---

*“Patience and compassion are the true medicines.”*

*“Healing hands bring hope to trembling hearts.”*

## 9. Expanded Services for Community Convenience and Compassion

### i. Home Care Services: Healthcare at Your Doorstep:

Launched on 1st June, 2022, our Home Care Services extend hospital-quality care into the homes of patients, especially those who are unable to visit due to mobility issues, chronic illness, or age-related conditions. With just a phone call, trained professionals reach the patient's residence to provide:

- Administration of injections
- Ryle's tube insertion
- Catheterization
- Blood pressure monitoring, and more

In addition, doctor's consultation at home is made available during night hours (9:00 PM – 8:00 AM), ensuring critical support when it is most needed.

While the service holds immense potential, we recognize the need to enhance awareness. Strategic efforts through community outreach, posters, brochures, and digital campaigns are being considered to increase utilization and ensure that no patient is deprived of care due to immobility.

### ii. Home Sample Collection Service: Convenience with Care

To bring diagnostic services closer to patients, Marwari Hospitals offers a Home Sample Collection Service, wherein trained technicians visit residences to collect samples with complete emphasis on hygiene and accuracy.

Patients can simply call : ☎ 73990-99997 / 73990-99998

This initiative reflects our patient-first philosophy, ensuring that essential investigations are accessible to everyone, including the elderly and those with mobility limitations.

### iii. Evening OPD: Accessible Care Beyond Working Hours:

Recognizing the difficulty faced by office-goers in attending day-time consultations, Evening OPD Services were launched on 10th May, 2023. Senior consultants across multiple specialties are available between 5:00 PM to 8:00 PM, including:

- General Medicine, General Surgery, Paediatrics, Orthopaedics, Gynaecology, ENT, Dental, Psychiatry, Dermatology, Plastic Surgery, and more.

This facility is offered at no extra cost, ensuring patients receive timely care without work disruptions.

During 2024–25, the Evening OPD served 6,780 patients, of which 780 were admitted—reflecting a strong conversion rate of 11% and reinforcing its relevance to working families.

---

*“The measure of a hospital is the comfort it gives.”*

## 10. Blood Centre Activities:

Our Blood Centre continues to play a pivotal role in delivering essential services to the community. As human blood has no substitute, blood transfusion remains a critical intervention, saving millions of lives annually in major surgeries, trauma cases, and other medical emergencies.

Over the years, Marwari Hospitals has organized numerous blood donation camps, both in-house and outside in collaboration with other organizations. During the year 2024–2025, a total of 46 blood donation camps were held in association with various social organizations and corporates:

- 17 in-house camps at the hospital premises
- 29 outdoor camps

These camps collectively resulted in the collection of 4,529 units of blood. Additionally, blood was received through:

- 1,176 units via voluntary donations
- 3,353 units through replacement donations

In total, the Blood Centre collected 4,529 units during the year. The total blood issued from the Blood Centre stood at 5,205 units. Furthermore, 3,486 units of Fresh Frozen Plasma (FFP) were supplied to Intas Pharmaceuticals Limited in 2024–2025.

The Blood Bank Sub Committee, under the dedicated leadership of its Chairman, Shri D.P. Bajaj, continues to function with exceptional efficiency. We extend our heartfelt appreciation to all blood donors and patrons for their unwavering generosity and support.

### Special Provisions for Thalassaemia Patients:

We extend special support to Thalassaemia patients. Blood component is issued to them without any requirement for replacement and at 50% of the normal processing charges. The Thalassaemia patients receive a 100% waiver on blood processing charges. Additionally, accommodation and doctor's consultations (up to 10 hours) are provided free of cost.

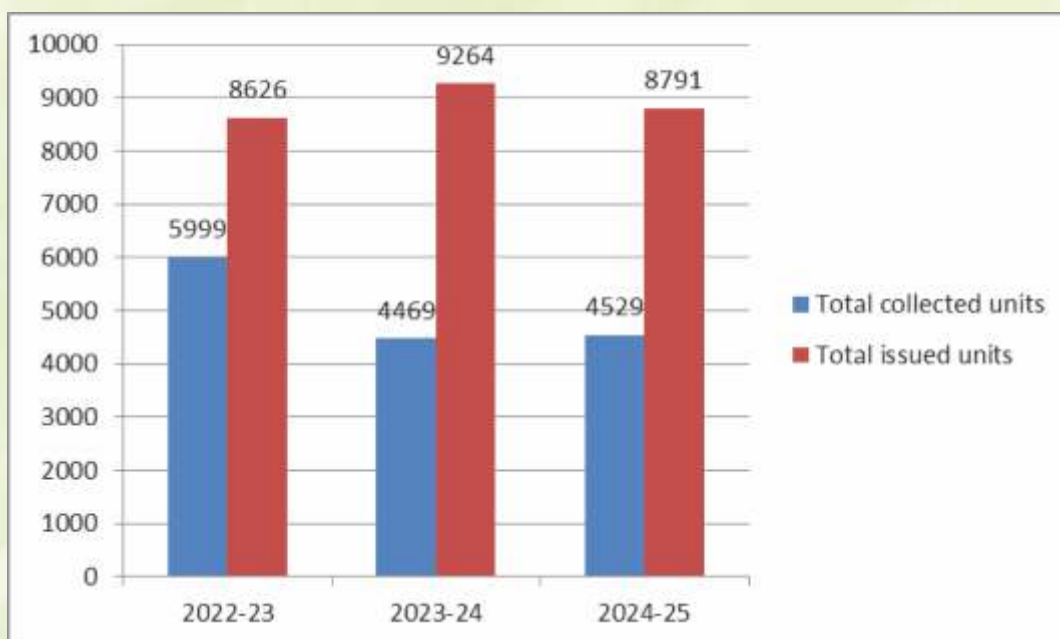

During FY 2024–2025, the hospital served 215 Thalassaemia patients, reflecting our continued commitment to compassionate healthcare for vulnerable groups.

### Graphical Representation of last 3 years performance of Blood Centre:

*“Medicine is science, but healing is an art of love.”*

## 11. Marketing and Promotional activities:

In today's dynamic healthcare environment, having a **dedicated and focused marketing team** is essential to effectively communicate our services and initiatives to the general public. At **Marwari Hospitals**, our vision is to **relentlessly strive for excellence in healthcare and make it accessible to all**. The marketing department plays a key role in realizing this vision.

The team actively engages in:

- Organizing **medical and health check-up camps** in various communities
- Conducting **Continuing Medical Education (CME)** programmes
- Empanelment with various Corporates, PSUs, etc for providing cashless treatment
- Meeting and interacting with various stakeholders, including medical professionals, to promote awareness of our facilities, services, and schemes

These efforts form a part of a **continuous outreach process**, which we aim to strengthen further to reach a broader audience.

To enhance visibility, a **promotional video** showcasing our hospital's facilities and services is regularly broadcast on our **in-house TV network** and shared through **social media platforms**.

Additionally, the hospital publishes a **bi-monthly news letter titled "SPANDAN"**, which presents a comprehensive overview of hospital activities, key milestones, and achievements. In the last financial year, we successfully released 6 issues of Spandan. The publication has gained significant attention and continues to serve as an impactful platform to highlight the hospital's journey and contributions to the healthcare sector. **For the convenience of the reader, we have now started the circulation of e-Copy of Spandan from May, 2025.**

Following are the details of various promotional activities undertaken during this period:

## 12. Academic and Research Wing:

At Marwari Hospitals, we firmly believe that the strength of any healthcare institution lies not only in its infrastructure and clinical services but also in its commitment to education, research, and capacity building. Training and education form the backbone of medical advancement, ensuring that the next generation of healthcare professionals is equipped with the skills, knowledge, and values needed to serve society.

Our initiatives in academics and research reflect our dual mission—to deliver world-class patient care today while preparing for the healthcare challenges of tomorrow.

i. **a) Academic Collaborations through MoUs :** In pursuit of academic excellence, Marwari Hospitals signed three landmark agreements till the writing of this report

- MoU with Girijananda Chowdhury University (17th March, 2025)
- MoU with Assam Royal Global University (9th April, 2025)
- MoU with Krishna Kanta Handique State Open University (4th September, 2025)

These collaborations open avenues for student training, joint research, health camps, awareness drives, and blood donation programs. Importantly, students from these universities now have the opportunity for clinical postings and hands-on training at our hospital, bridging the gap between theoretical knowledge and practical exposure.

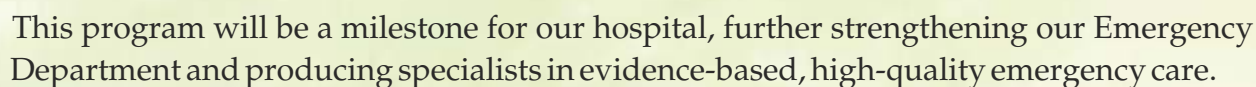

A Joint Coordination Committee has been formed to monitor progress, ensuring timely execution and continuous improvement. These partnerships reaffirm our commitment to nurturing future healthcare professionals while strengthening community health.

### b) Ongoing Academic Programs :

- i. **NBEMS Courses :** Marwari Hospitals is accredited by the National Board of Examinations in Medical Sciences (NBEMS) for postgraduate medical education.
- Currently, we run a 2-year Post-MBBS Diploma Program in:
  - Family Medicine (4 seats)
  - Obstetrics & Gynaecology (2 seats)
  - The first two batch has successfully completed its examinations and embarked on careers at reputed institutions.
  - The third batches are continuing their training, upholding our commitment to education and patient care.
- ii. **Application for DNB Courses :** We submitted an application to start for 3 years post graduate program under the Diplomate of National Board (DNB) in Emergency Medicine department with 6 proposed seats. Recently on 03th Sept 2025 NBEMS has conducted onsite inspections. Now final confirmation is awaited from NBEMS.

- Medical Laboratory Technology
- Medical Radiographic Technology
- ICU Technology
- OT Technology

Each discipline admits 15 students per session. The third batch (2025–26) admissions have already commenced. These courses not only help fill the national shortage of allied healthcare professionals but also create promising career opportunities for students.

Pending registration formalities, the management is exploring a rented building option to start the college without delay. Once operational, the college will become a centre of excellence for nursing education, fulfilling a critical regional need.

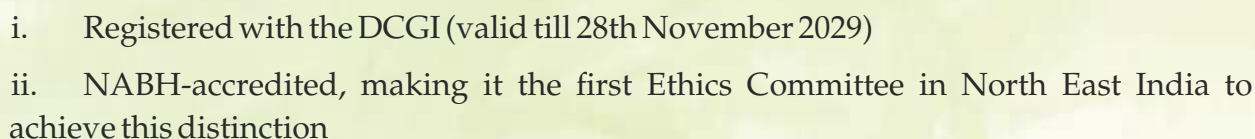

In FY 2024–25, 18 CME programs were organized in collaboration with leading organizations.

A landmark workshop on Diabetes and Foot Care was conducted on 9th February 2025, guided by Dr. Dinesh Agarwal, providing hands-on training in diabetic foot assessment, prevention and management.

On 19th February 2025, Marwari Hospitals conducted its first-ever CNE Program on “Nursing: Driving Quality, Ensuring Patient Safety” at NEDFi House, Dispur. The program was awarded 4 credit points by the Assam Nursing Council. Over 200 nurses from 34 institutions participated. Hon’ble Dr. (Prof.) Dhrubajyoti Borah, Vice Chancellor of SSUHS, graced the event as Chief Guest. These programs reflect our commitment to lifelong learning and professional development for both doctors and nurses.

*“Good health is the greatest gift we can share.”*

- iii. Reviewing and approving research protocols
- iv. Evaluating suitability of investigators and facilities
- v. Ensuring ethical practices in informed consent and patient confidentiality

- vi. Academic Trials: 20
- vii. Paper Publications: 5
- viii. Clinical Trials: 70+
- ix. Academic Trial reviewed- 1
- x. Clinical Trials reviewed- 6

Our Ethics Committee is now recognized for its credibility to such an extent that another reputed city hospital uses our license to facilitate their DNB program and research activities—a rare honour that underlines our excellence in research governance.

We are deeply grateful to our esteemed philanthropists, whose benevolence continues to shape the future of Marwari Hospitals. During this year, the following distinguished individuals became members under the Danveer Category:

- Sri Sajjan Bhajanka, C/o Century Plyboards (India) Ltd.
- Sri Sanjay Agarwala, Star Cements Ltd.
- Sri Subhash Jhunjhunwala, C/o. J.C. Infra Corporation. Ltd.
- Name for Danveer member from Century Plyboard is awaited.
- Name for Danveer member from Platinum Alloys Limited is awaited.

Their generous contributions and steadfast support reaffirm the timeless spirit of “Seva Parmo Dharma” (Service as the highest duty), which remains the guiding philosophy of our institution.

Every journey of growth brings with it both challenges to overcome and opportunities to embrace. At Marwari Hospitals, we acknowledge these realities with honesty, while also

*“Behind every statistic is a human life cherished.”*

- Declining patient inflow under government health schemes (PMJAY, AA-MMJAY) due to new restrictions on marquee procedures.
- Rising competition from newly established multi-speciality hospitals in Guwahati and the North East.
- Recruitment of Specialty and super speciality consultants

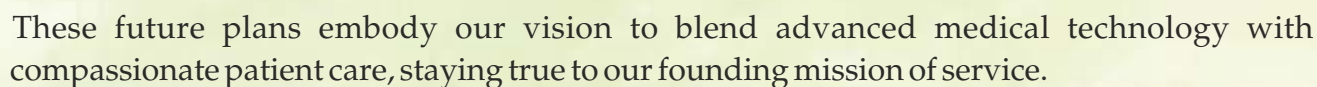

## Retention of talent and skilled manpower

- As we are bringing up all the Superspecialty services under one roof, we are hopeful that it would provide quality healthcare along with timely available diagnostic services.
- Establishment of the Nursing College, with land already allocated by Shree Gauhati Gaushala Trust to develop young nursing professionals.
- Strengthening of academic collaborations through MoUs with Girijananda Chowdhury University, Assam Royal Global University, KKHOU for educating more number of healthcare professionals.
- Introduction of the DNB Emergency Medicine program, which will significantly enhance postgraduate medical education in the North East.

Looking ahead, Marwari Hospitals remains committed to advancing healthcare access, quality, and compassion. Our roadmap includes:

- **Full Implementation of EMR:** Integrating all patient records and hospital services into a seamless digital platform.
- **Establishment of IVF Centre:** Setting up a modern In-Vitro Fertilization (IVF) facility in the Central Block to support couples seeking assisted reproductive care.
- **Revamp of Mother & Child Block (MCB):** Redevelopment of cabins, wards, and OTs with modern facilities, ensuring comfort and safety for mothers and children.
- **Nursing College Construction:** Commencement of construction on land leased from Shree Gauhati Gaushala Trust, making a long-cherished dream a reality.
- **Strengthening Academic Programs:** Expansion of DNB courses and allied health sciences diplomas to address workforce shortages.
- **Preventive Healthcare & Outreach:** Scaling up of community health camps, awareness programs, and preventive check-ups in rural and urban communities.
- **Strengthening of Nephrology Services by Renal Transplant Program.**

*“The best hospitals heal with both skill and heart.”*

**i) From Sri Sajjan ji Bhajanka, Chairman, Century Plyboards (India) Limited:**

The efficient management, patient-centric approach and well-organized arrangements stand as a testament to the Hospital's unwavering commitment to quality healthcare.

I extend my best wishes to Marwari Hospitals for their continued growth and success in serving the community with excellence and compassion.

I have been extremely happy and pleased to visit Marwari Maternity Hospital and it has been a real privilege for our University to have signed an Memorandum of Understanding with the Hospital. With state of the art healthcare facilities coupled with dedicated and committed professional services the Hospital has been able to serve the underserved and thereby make differences to the lives of thousands of people. I am particularly delighted to notice the sincere and service minded. attitude of the Hospital management as well as of the doctors and staff whose goal is to provide quality healthcare facilities and services to the people at an affordable cost. The principles of accessibility, affordability and quality are the bottom line of the Hospital and they seem to be in perfect syne with our University's motto of providing education to all beyond harriers. I do hope that our collaboration will contribute to the greater social cause and touch everyone's life.

At the heart of every achievement of Marwari Hospitals lies the spirit of seva — selfless service. This spirit is sustained only through the generosity, commitment, and goodwill of countless individuals and institutions who continue to stand beside us in our journey.

We extend our deepest gratitude to the Central and State Government authorities, NABH, NABL, our auditors and consultants, and every regulatory body whose guidance strengthens our systems and accountability.

We are equally indebted to all donors, philanthropists, and well-wishers, whose trust and contributions have helped us, grow from a modest dispensary into a respected multi-speciality hospital. To each donor who has contributed—whether in large measure or small—we say: you are the unseen hands that heal our patients.

A very special word of thanks goes to all those members and well-wishers who, on their

*"Even the smallest kindness can ease the heaviest pain."*

birthdays, anniversaries, or other special occasions, have chosen to extend their celebrations into acts of kindness by donating to support the treatment of patients in our General Ward. This unique tradition of giving is one of the noblest strengths of our institution.

Through your generosity, thousands of underprivileged patients have been able to access dignified treatment and care, free of accommodation charges, nursing care, diet charges, and doctors' fees. Your support not only alleviates their suffering but also restores their faith in humanity.

We believe that, together, we can take this vision even further. With sustained and greater contributions, it may one day be possible to make the entire treatment of General Ward patients completely free of cost (excluding medicines). This dream is not ours alone—it belongs to the society we serve, and it is achievable only through the continued goodwill and support of our extended Marwari Hospitals family.

Our gratitude also extends to our Working Committee members, past presidents, convenors, committee members, doctors, nurses, paramedics, executives, and staff—clinical and non-clinical—who embody dedication and service every single day. Their compassion, professionalism, and relentless hard work are the pillars upon which our reputation rests.

We are thankful to the voluntary blood donors, Lions Clubs of Gauhati, and countless supporters who have partnered with us in health camps, blood donation drives, and community service initiatives.

Finally, we bow our heads to all patients and their families, who place their faith in us during their most vulnerable times. Their trust inspires us to uphold higher standards of care and compels us to keep improving every day.

To each and every one who has walked with us in this mission — thank you. Your support ensures that Marwari Hospitals continues not just as a medical institution, but as a true temple of healing, compassion, and hope.

## मारवाड़ी हॉस्पिटल की 108वीं साधारण सभा व चुनाव संपन्न

▲ पूर्वोदय संवाददाता

गुवाहाटी, 15 सितंबर। समाज की प्रतिष्ठित संस्थाओं में से एक श्री मारवाड़ी दातन्य औषधालय (मारवाड़ी हॉस्पिटल्स) की 108वीं साधारण सभा छत्रीबाड़ी स्थित परशुराम सेवा सदन में अस्पताल के अध्यक्ष रमेश गोयनका की अध्यक्षता में रविवार को संपन्न हुई। इस दौरान मंच पर अध्यक्ष रमेश गोयनका, निवर्तमान अध्यक्ष शरत जैन, उपाध्यक्ष रामअवतार भरतीया व कैलाश लोहिया, सयुक्त मंत्री रामस्वरूप खाखोलीया व संजय केडिया के अलावा समाज के गणमान्य व्यक्ति उपस्थित थे।

अध्यक्ष श्री गोयनका ने अपने स्वागत संबोधन में श्री मारवाड़ी दातन्य औषधालय के इतिहास के बारे में बताते हुए वर्तमान मारवाड़ी हॉस्पिटल्स की कार्य प्रणाली, व्यवस्थाओं एवं उत्तिकर्ण के बारे में विस्तार से जानकारी दी। सचिव रामस्वरूप जोशी ने गत साधारण सभा का प्रतिवेदन व कोषाध्यक्ष

मनोज अग्रवाल की अनुपस्थिति में आय-व्यय का लेखा-जोखा प्रस्तुत करते हुए मारवाड़ी हॉस्पिटल आठगांव एवं कैसी बाजार स्थित दातन्य औषधालय की उपलब्धियों को बताया। इसके पश्चात सीए राकेश दुधोडिया को साधारण सभा में सर्वसम्मति से आगामी सत्र के लिए पुनः अंकेक्षक नियुक्त किया गया। सभा में निवर्तमान अध्यक्ष शरत जैन, रामअवतार भरतीया सहित समाज के

कई गणमान्य व्यक्तियों ने भी अपने विचार रखे। सयुक्त मंत्री रामस्वरूप खाखोलीया ने सभा का संचालन किया। साधारण सभा के द्वितीय चरण में चुनाव अधिकारी कृष्ण कुमार जालान ने चुनाव की घोषणा करते हुए कहा कि संस्थान श्रेणी में दामोदर प्रसाद बजाज, लक्ष्मी नारायण अग्रवाल और समित सराफ, विशिष्ट श्रेणी में माखन अग्रवाल, मुशील गोयल और विवेक सांगानेरिया,

साधारण श्रेणी में मनीष खाट्वाला, प्रमोद हरलालका (लाला), रवि अजीतसरिया, संजय संथोलिया व संजय तुलस्यान को निर्विरोध विजय घोषित किया गया। वहीं पोषक श्रेणी में तीन स्थानों के लिए चार नामांकन पत्र आने के कारण मतदान प्रक्रिया से सदस्यों को विजय घोषित किया गया, जिसमें रिशोत केजरीवाल, विजय सांगानेरिया व पंकज पोद्दार विजयी घोषित हुए। इधर गणमान्य

श्रेणी के तीन पदों के लिए कोई नामांकन नहीं आने के कारण यह तीनों पद के लिए एक श्रेणी से आगामी नई कार्यकारिणी सभा में सर्वसम्मति से निर्णय लेकर चयन किया जाएगा। चुनाव प्रक्रिया को संपादित करने में अग्रवाल सभा का सहयोग रहा।

मुख्य चुनाव अधिकारी कृष्ण कुमार जालान ने बताया कि चुनावी प्रक्रिया को पूर्ण रूप से संपादित करने में उनके साथ सह चुनाव अधिकारी प्रमोद मोर और गौरव सावोटीया के अलावा अस्पताल की ओर से रामपाल सिकरिया व बनवारीलाल शर्मा ने भी चुनाव संपन्न करवाने में अपना सक्रिय सहयोग दिया। अस्पताल की तरफ से अध्यक्ष श्री गोयनका ने नई कार्यकारिणी में आए सभी सदस्यों का स्वागत करते हुए चुनावी टीम के प्रति आभार व्यक्त किया, जिन्होंने निष्पक्ष रूप से इस पूरी चुनावी प्रक्रिया को संपादित करने में अपना महत्वपूर्ण योगदान दिया।

# बिहू से पूर्व मारवाड़ी हॉस्पिटल के कर्मचारियों ने किया मनोरंजन कार्यक्रम

गुवाहाटी ( बिभास )। आठगांव स्थित मारवाड़ी हॉस्पिटल में कार्यरत सभी कर्मचारियों ने रंगाली बिहू के पूर्व बिहू के उपलक्ष में कई मनोरंजन कार्यक्रम आयोजित किया। इस अवसर पर अस्पताल के अध्यक्ष शरत जैन ने सभी को बिहू की शुभकामनाएं देते हुए कहा कि मारवाड़ी हॉस्पिटल में हर समुदाय के कर्मचारी कार्यरत हैं। जो हर पर्व को साथ मिलकर मनाते हैं, चाहे वह क्रिसमस दे हो या दुर्गा पूजा दिवाली और रंगोली बिहू हो। इसी कड़ी में आज बिहू का कार्यक्रम प्रस्तुत किया जा रहा है। इस अवसर पर अस्पताल के अधीक्षक रोहित उपाध्याय, एचओडी

डॉ आर एम मजूमदार भी उपस्थित थे। डॉक्टर मजूमदार ने रंगाली बिहू, काती बिहू और माघ बिहू के बारे में बताया। अस्पताल की मेट्रो दीर्घावृत्ति ने बताया कि हर वर्ष हम बिहू के पूर्व कार्यक्रम आयोजित करते हैं हम सभी दिन रात अस्पताल में मरीजों की सेवा में लगे रहते हैं। अतः हमें जब भी

मौका मिलता है हम सभी समुदायों के सभी पर्व को एक साथ मिलकर मनाते हैं। इस अवसर पर सभी कर्मचारियों ने बिहू गीत के ऊपर नृत्य भी किया। इससे पहले अस्पताल कर्मचारियों के बीच गत दिनों हुई खेलकूद प्रतियोगिताओं के पुरस्कार भी वितरण किए गए।

# 'Need for more charitable hospitals in State'

## Face to Face

PRASANTA J BARUAH

prabaruah\_at@yahoo.com

*Sarat Kumar Jain says that the various units under Marwari Hospitals in Guwahati are today offering free and affordable treatment to various sections of the society.*

**Sarat Kumar Jain** is the president of Marwari Hospitals, Guwahati, a charitable hospital. Also the CMD of SM Group of Companies, he is a former president of FINER and at present the chairman of the Assam and Meghalaya State Councils of the Indian Chamber of Commerce. He is member of the Skill Development Committee of Assam Skill University.

**You are running a charitable hospital. What are the characteristics of a charitable hospital?**

Yes, we are running a charitable hospital. The characteristics of a charitable hospital are manifold. Its motto is not to work for profit. We are rendering services for the welfare of patients at the most affordable cost, including free and subsidised services. In this context, I would like to mention that the parental body named Shree Marwari Databya Aushadhalay was started as a charitable organization by the visionaries in 1916 at a small commercial place to render health care services for the welfare of the weaker sections of the society. Subsequently, a full-fledged centre was started in 1965 named as Fancy Bazar Out-Patient Dispensary. Today, about 60,000 people on an average are getting free treatment annually.

In 1985, Marwari Maternity Hospital was started keeping in view the dire necessity of maternity services of the society. Again, in 2002, a multispeciality hospital named Marwari Hospital and Research Centre was started. Finally, all the aforesaid units were brought under the name and style of Marwari Hospitals in 2017 to project before the public that all the services are available under one roof.

All these developments could take place only because of the charitable character of the parental organization Shree Marwari Databya Aushadhalay founded by social

workers, donors and visionaries.

**In what ways are a charitable hospital different from a corporate hospital?**

A corporate hospital operates for profit, like an industry or business for that matter, whereas a charitable hospital's primary objective is to render services to the society without the motto of profit. To illustrate it more, a charitable hospital like Marwari Hospitals is providing a general ward bed free of charges, including nursing, resident doctor and diet charges, without any cap on the number of days a patient stays in hospital. Similarly, diagnostic investigations like path lab, radiology, etc., are subsidised by way of discounts for out-patients. This is how a charitable hospital is different from a corporate hospital.

**How are you running a charitable hospital in a professional way? What challenges are you facing?**

A hospital falls under the regulatory ambit of the government. Besides, professionals like doctors, nurses and others are key to a hospital's operations. We in Marwari Hospitals could realise this very fact and initiated the process of professionalism since 2010. As on date, we can proudly claim that our hospital is fully professionally managed. In this context, the main challenges faced by us were acquisition and retention of the right talent.

**What superspeciality facilities have you introduced in the hospital?**

We have introduced superspecialities like neonatology, urology, nephrology, medicine oncology, neurology, etc. To elaborate, neonatology is the department which takes care of newborn babies. We have also a state-of-the-art NICU (Neonatal Intensive Care Unit) to treat critical conditions of newborn babies. Urology takes care of both conservative and surgical treatment. As regards nephrology, we have a state-of-the-art dialysis centre where patients suffering

from chronic kidney diseases are treated. Medicine oncology is the advanced treatment for patients suffering from cancer whereby chemo and radiation is avoided. Under neurology, we have medicine neurology and surgical neurology expert consultants.

**As a charitable hospital, you have to depend on donations. How do you go about it? Do you receive any government assistance?**

As a charitable hospital, we depend upon donations from society and CSR funds from corporates. Whenever we need investment for capital expenditure, we reach out to the people in society and corporates for CSR funds. We don't get any assistance from the government.

**Your hospital played an important role during the Covid pandemic. Can you elaborate on it?**

Our hospital played a pivotal role during the Covid pandemic. It was the grace of the Almighty that we could live up to the expectations of the people. The infrastructure of the hospital having two blocks made it easier for us to serve the Covid patients. All clinical team and non-clinical team mem-

bers were always at the front to serve the patients without fear of putting their life in danger. The leadership team was fully alert 24x7. Another important aspect was communication to the family about the condition of their patients. Special sessions were planned with the treating doctors. Word of mouth was so positive that patients came from far-off places in Nagaland, upper and lower Assam, Garo Hills, Manipur, etc.

**What are your expansion plans for the hospital?**

Our immediate expansion plans are setting up of a cath lab, IVF lab, full-fledged nephrology department with renal transplant programme, etc. Recently, a state-of-the-art diabetic centre with all testing facilities was set up. As part of medium-term expansion plan, we are planning to start a nursing college. We are also going to add more disciplines under Diplomate of National Board (DNB) courses, besides family medicine.

**What government health schemes are you executing in your hospital and what is the response from the people?**

Our hospital is running various government schemes like PMJAY, ESIC, CGHS, and Meghalaya and Nagaland government schemes, etc. There has been very positive response from the people. But in recent times, the Assam government has removed general health care services except superspecialities from the ambit of private hospitals including ours. This has resulted in less flow of patients affecting the sustainability of the hospital.

**Is your hospital having NABH? What is the significance of NABH?**

Our hospital is NABH-accredited. By virtue of NABH, the hospital needs to follow various protocol and processes to impart safe treatment to patients. In simple language, if a hospital is NABH-accredited, it means quality health care treatment.
